

1,000 Voices on Europe

We would like to find out your thoughts on Europe! What would you like to change about Europe? What should Europe's future look like? What does Europe need more of right now? What less? In order to capture the current mood, we are collecting short videos, photos and quotes from as many people as possible and would love to hear from you.

Content:

You can send us a short video and/or photo of yourself with a short quote, answering one (or more) of the following questions:

1. What should Europe do for you?
2. What can you do for Europe?
3. What should Europe talk about more?
4. What has no one taught you, although it is urgently needed in Europe?
5. What should Europe NOT be like?
6. What does the perfect Europe look like?
7. Can you imagine a life without Europe? What would it look like?
